

# Launton Football Club Safe Guarding Policy

## SAFEGUARDING

We know that you, like all of us at Launton Football Club, care passionately about ensuring that children and young people get a safe and positive sporting experience. This is what helps ensure youngsters carry on playing sport or being active later on in life. We have all been shocked by the recent historic abuse cases and applaud the victims' courage in coming forward. Whilst safeguarding practice today is far stronger than 20 years ago, none of us can afford to be complacent.

Launton Football Club continues to review its safeguarding policies with all our Managers and Coaches holding a valid DBS and safeguarding accreditation and, as an FA Standard Community Club this is something we take very seriously.

We also have dedicated Child Welfare Officers and contact details are below if you ever feel you have any concerns and want someone to talk to.
